BANC MSS C-A 40 — Departmental State Papers, Benicia (Commissary & Treasury), Tomos I–III

Finding aid · 540 records · 1823–1839 · Archives of California: A Documentary Calendar of the Savage Transcripts

Provenance. Thomas Savage's 1876–77 copies (for H.H. Bancroft) of the Spanish- and Mexican-era government records of Alta California, made at the U.S. Surveyor-General's office; the originals burned in the 1906 San Francisco fire, leaving these transcripts the sole record. Manuscripts: Bancroft Library, University of California, Berkeley (BANC MSS C-A 40); digitized microfilm on the Internet Archive (168036070_81_2). This calendar is an independent, AI-assisted index with published error rates — verify any record against the manuscript scan before citing (searchable, with scan links: archivesofcalifornia.com). **Coverage:** Full item-level read complete 2026-07-28: Tomo I Docs 1–87 (n0–n95, 1825–1828) + Tomos II–III Docs 88–516 (n96–n306, 1828–1836; the back half swept item-level 2026-07-27, audit-verified 2026-07-28). Volume is physically THREE tomos (I n0–n115, II n116–n213, III n214–n306), NOT the 5 the title leaf implies; content ends n306, no colophon. ⚠ each tomo restarts orig-page numbering (per-tomo resets; some records resolve by scan/ia_url only). Spans 1825–1836.
