Finding aid · 1,807 records · 1782–1800 · Archives of California: A Documentary Calendar of the Savage Transcripts

**Provenance.** Thomas Savage's 1876–77 copies (for H.H. Bancroft) of the Spanish- and Mexican-era government records of Alta California, made at the U.S. Surveyor-General's office; the originals burned in the 1906 San Francisco fire, leaving these transcripts the sole record. Manuscripts: Bancroft Library, University of California, Berkeley (BANC MSS C-A 23); digitized microfilm on the Internet Archive (168036074\_80\_5\_2). This calendar is an independent, AI-assisted index with published error rates — verify any record against the manuscript scan before citing (searchable, with scan links: [archivesofcalifornia.com](https://archivesofcalifornia.com)). **Coverage:** ITEM-LEVEL COMPLETE end-to-end (Fin del Tomo IV), 2026-07-22 read / 2026-07-27 published. Tomo III (Fages, docs 1–141, no~n282; the 1783–84 Baja/fiscal tails docs 140–141 bounded) + 7 rich Tomo-IV marquee docs 142–148 + the full leaf-by-leaf Tomo IV Borica letterbook docs 149–455 (n283–n593, index-grain: each leaf a dated multi-item abstract). △ Tomo IV orig-page resets to 1 (per-tomo dual page system); Savage col = corner stamp. A few marquee leaves also appear as index rows (dual-grain, both valid).
