Finding aid · 624 records · 1773–1846 · Archives of California: A Documentary Calendar of the Savage Transcripts

**Provenance.** Thomas Savage's 1876–77 copies (for H.H. Bancroft) of the Spanish- and Mexican-era government records of Alta California, made at the U.S. Surveyor-General's office; the originals burned in the 1906 San Francisco fire, leaving these transcripts the sole record. Manuscripts: Bancroft Library, University of California, Berkeley (BANC MSS C-A 20); digitized microfilm on the Internet Archive (168035972\_80\_2\_2). This calendar is an independent, AI-assisted index with published error rates — verify any record against the manuscript scan before citing (searchable, with scan links: [archivesofcalifornia.com](https://archivesofcalifornia.com)). **Coverage:** Item-level n0–n400 (451 docs; interleaved middle n180–n400 upgraded 2026-07-27, 5-agent sweep); the n401–540 tail = 1 bounded row (Savage's compiled 1773 reglamento + 1804–46 muster/fiscal/postal index).
